Register for Program Core Courses

The Veterinary Technician Program enters new students Fall Quarter every year and does not have a separate admissions process. Once students have successfully met all the early program requirements they are considered program-ready and are invited to registered for first quarter program core courses during their Registration Access Time*.

Students are considered **Program-Ready** for Veterinary Technician when they have completed the following:

- Current BTC application on file with Veterinary Technician as the program of intent.
- Evidence of High School graduation or equivalent.
- Complete all prerequisite foundational courses with required minimum grades and number of credits. Transcript evaluation process for all courses taken at another institution must be complete.
- Score at the *Basic* level or higher in all four areas of the ATI TEAS on one TEAS transcript. *Official ATI Transcript required only if not taken at BTC Assessment Center.*

Please carefully review the registration steps below and contact your College Navigator if you have questions.
