MINUTES

February 05, 2014

Call to Order: by President Marlon at 11:12 am.

Attendance:

Executives: Todd, Marlon, Gagan, Mike

Advisors: Malcolm, Nicole

Reading and Approval of Minutes: PTECH Motions, 2nd by Electricians, MMSP 32-0-0

Approval of Minutes: Reminders:

- Roberts Rules
- Be involved
- Take notes

Program Attendance: See Gagan regarding discrepancies.

Funding Requests:

Instrumentation- Southern Alberta School of Technology. Competition for SATE. Money is only going toward plane tickets for 4 students. Who is going is decided by a competition @BTC. Only 2nd year students will be going. The event goes from 3/13/14- 3/16/14. Funding request is for \$2,000. Attendance is at 95%. The instructor is coming as a coach and will be paying his own way.

Motion to approve by Mechanical Engineering, 2nd by Geomatics. MMSP 32-0-0

Open Positions

- Director of Legislation
- Director of Administrative Affairs, Minutes.
- Vice President

Guests: Peter from BTC Foundation, Tom Hicks from Diesel Program regarding Danish Exchange Program

The exchange program offers scholarship opportunities for Diesel and Welding students. It survives off of minimal funding from the ASBTC, but most costs are out of pocket. The cultural diversity a plus for the students. There are merits for both programs involved. Denmark helps with a lions share of the financial burden on that side of the ocean. A nonprofit organization called SCAN Design funds around \$40,000 of transportation, and related costs. Based on vote from the senate, 4 votes for \$1,500, 8 votes, \$3,000, and 20 votes for \$4,000.

CNET motions to adjourn, 2nd by HVAC MMSP 32-0-0

Executive Meeting Minutes Approved By:

Todd Cadwell – Director of Advocacy

Marlon Jennings –ASBTC President
