POLICY

Purpose

Students bring to campus a variety of interests previously acquired and may develop many new interests as members of the College community. Associated Students of Bellingham Technical College (ASBTC) student clubs and organizations may be organized in support of interests that are germane to the mission of education at Bellingham Technical College. All students of BTC are encouraged to participate in campus clubs and organizations.

General Policies for ASBTC Student Clubs

1. Clubs must have a minimum of five (5) currently enrolled BTC students.
2. Clubs affiliated with an approved parent club must follow the parent club constitution and bylaws and must submit these documents when requesting charter.
3. Clubs may not discriminate on any basis including race, creed, color, national origin, sex, religion, sexual preference, marital status, physical handicap, age, or veteran status.
4. Clubs must maintain an open membership program that encourages prospective members to join.
5. Clubs must agree to (a) abide by the ASBTC Bylaws and BTC Student Code of Conduct, (b) not present a demonstrated danger, commit any act of violence, or cause disruption to any BTC activity or College facility, (c) not violate state or federal laws, (d) not allow any individual member of any club to personally profit from any activity affiliated with the club or use approved budgeted monies for any expense unrelated to club activities, or (e) not solicit funds outside of College approved fund raising activities.
6. Each club must have a regular BTC faculty/staff employee as an advisor.

Chartering of Student Clubs

The ASBTC must grant student organizations a charter before they may officially be recognized. Only officially chartered student clubs are eligible to be awarded monies collected through services and activities (S&A) fees for club activities. Once chartered, an ASBTC club is considered officially chartered only through the end of Spring Quarter each academic year. Clubs that wish to continue in the next academic year must renew annually by submitting a written request.
**Recognition Process:**

1. ASBTC Chartered Club Recognition Forms may be obtained from the ASBTC Student Council Office.

2. The Recognition Form must include the signatures of at least five (5) currently enrolled BTC students who would like to be members of the new club.

3. The Recognition Form must be signed by the BTC faculty/staff person who has agreed to serve as club advisor.

4. Club operating policies and processes must be submitted with the completed Recognition Form.

5. Completed recognition documents may be submitted to the ASBTC Student Council Office.

**Prohibited Club Activities:**

1. Off-campus bank accounts of any kind are not allowed.

2. Personal financial gain from a club or solicitation from it’s members for personal profit is not allowed. This includes solicitation or promotion of personal goods or services from any club or club member.

3. The purchase, either with personal funds, services & activities (S&A) fund, or state funds of any alcoholic beverages is not allowed. Alcoholic beverages are not to be served or sold at any club functions, including meetings.

4. Off campus individuals are not permitted to serve as club advisors.

5. Any fund raising functions/events must be approved by the College in advance utilizing the College approved procedure.

6. ASBTC will not recognize/charter any club whose purpose is member intimate, physical contact.

7. Persons who are not currently enrolled students may not participate as club members. If a club has questions about the status of a non-student associated with any club, those questions should be directed to the ASBTC Student Council Office.

**Student Clubs Fund-Raising**

ASBTC chartered student clubs may engage in fund raising efforts only as approved by the College. Requests for approval of fund raising events must be submitted for approval to the Vice President of Student Services at least thirty (30) days prior to the event(s). ASBTC chartered clubs must submit written application for any fund raising events to the ASBTC Executive Committee for approval. ASBTC approved and sanctioned fund raising event applications will then be submitted to the Vice President of Student Services for College consideration. Applications for approval of any fund raising event will describe the date and time of the event, the full description of the activities to be carried out, the person(s) responsible for coordination and leadership of the event, and the expressed purposes for use of monies collected. At no time may any student club carrying out an ASBTC fund raising event represent their activities as fund raising on behalf of the College. All publicity and communication promoting the event shall accurately identify the event as an ASBTC chartered student club event and identify the intended use of any monies collected. At no time may any funds raised by ASBTC or its clubs be deposited in any account outside of the College.
If ASBTC chartered clubs use any student and activities (S&A) fees or state funds for the fund raising event (seed money, etc.), the funds collected from the event are considered subsidized (co-mingled) and therefore become state funds. These funds will be deposited in Fund 522 and will be used in accordance with College policies and state law.

If ASBTC chartered student clubs do not use any student and activities (S&A) fees or state funds in the fund raising event, the funds will be deposited into Agency Fund 840 and will be used only for the purpose stated in the fund raising request approved by the College.

All monies collected through student fund raising efforts by student clubs at BTC shall be deposited to the appropriate College account. No monies collected by ASBTC chartered clubs may be deposited into any private or other bank account or held by any ASBTC officer, member, or other person(s) for later distribution.

Unchartered student clubs are not entitled to use of any services and activities (S&A) fees or state funds for fund raising purposes and will be considered "off campus" organizations. Requests for College approval of any unchartered student club fund raising must be submitted in writing to the Vice President of Student Services and will be considered in accordance with WAC 495B-120-100 and 110.
