

RADIOLOGIC TECHNOLOGY PROGRAM SHADOW EXPERIENCE DOCUMENTATION FORM

Students seeking entrance to the Radiologic Technology (Rad Tech) Program at Bellingham Technical College (BTC) must complete eight (8) shadow experience hours. Shadow experience requires four (4) hours in a hospital setting, and four (4) hours in a clinic setting. Information on how to set up shadow experience are available on the Rad Tech Shadow Experience Instruction Sheet.

Submit the completed form by one of the following methods: email to healthinfo@btc.edu OR in-person to the secure drop box outside of Haskell Center (HC) 206 OR by mail to: Bellingham Technical College Rad Tech Program 3028 Lindbergh AVE # HC206, Bellingham, WA 98225. Keep a copy for your records.
