For Immediate Release

BTC EVENT SERVICES TO OFFER NEW SUMMER WEDDING PACKAGE AVAILABLE FOR SUMMER 2019

New event services — After great success hosting a variety of galas, fundraisers, conferences and community events, Bellingham Technical College (BTC) is announcing its expansion into summer weddings.

BTC's Settlemyer Family Hall is now available to book for weddings as early as June 2019.

Summers are generally a quieter time on BTC's campus — located close to downtown Bellingham, the waterfront and local parks — so it is an ideal season for booking weddings and large events. Settlemyer Hall offers a beautiful, modern space for wedding celebrations and rehearsal dinners, with optimizable spaces, plug-and-play media access, tables and chairs for up to 200 people, and event support for set-up and take-down.

The campus also offers vibrant outdoor areas, sculpture, lavender beds and plenty of convenient parking.

In addition to providing an open and inviting venue for weddings, BTC is also available for catering, with customizable menus, plated or buffet service and all linens and place settings included. Guests can also bring in their own catering with access to BTC's commercial kitchen.

To learn more about BTC's rental options for weddings and other events, visit our website at www.btc.edu/rentals and contact us at events@btc.edu or call 360.752.8303 for more information.

About Bellingham Technical College

Bellingham Technical College is accredited by the Northwest Commission on Colleges and Universities, and offers seven transfer degrees such as pre-engineering, pre-nursing, computer science and business. Completion of these degrees prepares BTC students to transfer with a junior status to participating colleges and universities in

Washington State. BTC offers 38 associate degree, 60 certificate options and two bachelor of applied science degrees providing professional technical education to support local and regional industry workforce needs. For more information, go to www.btc.edu.
