Six Quarter Educational Plan

Instructions: This planning sheet is designed to help you develop an educational plan. In the first box, write the classes that you are registered for this quarter. Use the current BTC course schedule or online Schedule Planner and program information sheets to fill in classes in the remaining boxes. Plan at least 2 quarters. This can be an excellent tool for you to remain focused on your goals; bring it with you whenever you meet with Instructors, Advisors and Counselors. **Program:_____**
