3208 LINDBERGH AVENUE, BELLINGHAM, WA 98225-1599

ADMISSIONS REQUIREMENTS:

- **Age Restriction:** Applicants must be 16 years of age before enrollment.

- **Assessment Testing:** Applicants must demonstrate competency in English and Math before an application can be accepted for program entry and the issuing of the I-20. To meet math and reading score requirements, BTC accepts equivalent college placement scores to the Guided Self Placement Assessment Test, the TOEFL for English (contact BTC Admissions for the acceptable score), or certain college coursework for test waiver, also.

- **Admissions Application:** Applicants must complete the application via our BTC Portal [www.btc.edu/apply](http://www.btc.edu/apply)

The following programs have additional prerequisites or admissions requirements: Practical Nursing, Radiologic Technology, Surgery Technology, Nursing, Veterinary Technician and Dental Hygiene. Applicants to these programs should contact Admissions at admissions@btc.edu or 360-752-8345 regarding requirements.

When the admissions process is complete and when space is available, applicants are accepted into their program of study. Program start times vary depending on the program and space availability. Some programs have waiting lists of one to several quarters long, which can impact the VISA application timeframe. Once confirmation of start date and a registration appointment has been received, international program students must make an appointment with Admissions to be issued an I-20 to begin the VISA application process. The following items are required for issuance of an I-20:

- **Financial Responsibility:** Applicants must provide evidence of ability to finance educational and living costs while in attendance. Students independently supporting themselves must submit the “International Student Verification of Funds” form with the appropriate signatures. If the applicant is being supported by family funds or other patron, the party who provides the support should sign the “Sponsor’s Statement of Support” form. **Bank verification showing the availability of funds meeting or exceeding annual program costs is also required.**

- **Student Agreement:** Applicants are required to read and sign and adhere to the “International Student Agreement.”

VISA PROGRAMS
Bellingham Technical College (BTC) issues the M-1 and F-1 Certificates of Eligibility for technical professional program students. Based on program and length of study, the International Advisor will determine which VISA is most appropriate for international applicants.
