Certification

- By submitting this Data Sheet to the Bellingham Technical College Student Financial Resources Office, I acknowledge that I understand and agree to the **Terms and Conditions of Award, Terms of the Washington College Grant and Student Authorizations** outlined below. I declare that the information submitted is true and complete to the best of my knowledge.
- I certify that I have not borrowed in excess of the student loan limits under Title IV funding at any institution.
- I understand that I will not be eligible to receive financial aid if I am convicted for the possession or sale of illegal drugs while I am receiving Federal Student Aid.

Terms and Conditions of Award

- I understand that I must submit official transcripts from other schools that I have attended if the credits can be used for my current program of study at Bellingham Technical College.
- I understand that the offer of financial aid is subject to the availability of funds and that the Department of Education, Washington Student Achievement Council, and Bellingham Technical College reserve the right to withdraw, reduce, or modify grant aid, Work Study, loans and scholarships due to funding limitations and/or unsatisfactory academic progress.
- I understand that if I owe a repayment on any past financial aid grant or loan, or if I am in default on any past student loan, I will not be eligible for further financial aid until I have made satisfactory arrangements to repay my grant or defaulted loan.
- I understand that my financial aid will be adjusted to reflect my class enrollment level based on the number of credits for which I am enrolled by the end of the 10th class day of each quarter (“Census Day”). If I drop classes within the first 10 class days of the quarter, I understand that I may be required to repay the amount of aid that I was not eligible to receive. If I add aid-eligible classes during the first 10 class days of the quarter, the Student Financial Resources Office may reimburse me based on eligibility.
- I understand that I must enroll in an eligible program of study and maintain Satisfactory Academic Progress as defined in the Bellingham Technical College Satisfactory Academic Progress Policy. I must maintain at least a quarterly and cumulative 2.0 GPA and make timely progress to complete my program of study within the maximum time frame allowed. I understand that credits transferred in from another institution to Bellingham Technical College will be considered when determining maximum time frame.
- If I unofficially or officially withdraw from my classes prior to the 60% point in time of the quarter or fail to complete all credits during a quarter due to lack of attendance, I may owe part or all of the aid that I received back to the financial aid programs.

Terms of the Washington College Grant

- I understand that the Washington College Grant is awarded to meet educational expenses, and, that if I do not begin attendance in all of my courses, repayment of the grant may be required.
- I understand that, when I am able, I can voluntarily contribute to the Washington Student Achievement Council in recognition of the Washington College Grant, and that my gift will be used to provide financial assistance to other students.

- I authorize Bellingham Technical College to use refunds and/or post withdrawal disbursements (Federal Title IV funds earned but not received at the time of withdrawal) to pay for current outstanding tuition and discretionary fees.
- I authorize Bellingham Technical College to release any pertinent information to BMTX, Inc. to allow for third party disbursement of funds to me via the method of my choosing.
- I authorize Bellingham Technical College to use post-withdrawal disbursements to pay down my outstanding Federal Title IV education loan balance.

I may modify or rescind any or all authorization(s) listed above prior to registration each quarter.
