Enrollment

For loans, the student must be enrolled in a financial aid-eligible program and 6 or more program-required credits. Include the dollar amount you wish to borrow next to each quarter you would like loans. Please note that the student is only able to receive loans to reach their calculated cost of attendance. If you indicate more than the student's cost of attendance, loan amounts will be reduced accordingly. The student's cost of attendance is available in the ctcLink portal

Indicate the quarters that the student plans to attend 6 or more program-required credits and requires loan funds.
