Our office uses a "standard" Cost of Attendance which includes tuition/fees, books/supplies, room/board, transportation, and personal expenses. We recognize that students may have expenses that exceed the standard Cost of Attendance. For more information please see the Student Financial Aid Handbook. You may use this form to request an increase to your Cost of Attendance. In some cases, an increase may result in eligibility of additional financial aid. Documentation such as receipts or statements must be provided. Expenses must be educationally-related. All requests are reviewed on a case-by-case basis and only apply to the current academic year. Requests are not automatically approved nor does it guarantee that additional financial aid will be provided. **Please allow approximately 2-3 weeks for review.**
