Additional Private Loan Information

Private loan funds must be certified with your lender by our department. Typically, it takes 2-3 weeks before the funds are available to BTC. Once funds are available, they will be released to you no sooner than the start of any given quarter, via your BankMobile, after all tuition and fees have been paid. **The student is responsible for understanding all rules and regulations provided by the lender.**

The loan amount(s) must fit within your Cost of Attendance for each quarter. We may not be able to approve your full loan request depending on other sources of funding. Changes to this request must be made by completing a new form before your funds have been released.
