Informed students present that the limit for travel is either \$600 per person or \$6000 per group. The funding will be chosen based on the cheapest option and the maximum is \$6000.

If local, there is technically no limit but is ultimately decided upon voting from the ASBTC Student Executive Committee.

Showing that the tricky part of the game is deciding as a team whether to fund the tutoring center funding request of \$50,000.

Mock Votes were made for each funding request at the end of the mock funding request breakdowns.

Each person had multiple mock funding requests and shared what the cards stated.
