# **Audit Instructions**

## **Using a Program Ready Checklist**

Program ready checklists note all prerequisite requirements for a program, and students can fill these out as they audit their BTC record to determine their readiness to apply.

Program ready checklists are downloadable on the program pages under **Entry Information:** 

Registered Nursing Program Checklist

Early Program Steps

Veet with your College Navigator to plan a course of study. Courses do not need to be taken in the order listed here. Your Navigator will create an academic plan to help you navigate the early program process.

When filling in the form, students should

1. Confirm they are meeting grade and credit requirements for each prerequisite course

2. Confirm that all requirements (classes, grades, healthcare experience) are noted in their BTC student record. An application will be considered incomplete if coursework is in progress or waiting to be evaluated.

## **Checking BTC Grades**

- 1. Log into ctclink with your Student ID number (ctcLink ID)
- 2. Once logged in, refer to the left side menu
- 3. Click on Academics and scroll down to Grades
- 4. This example is blank, but classes and grades will populate the **Class List** as students' complete coursework
- 5. Students should confirm they have earned the required grades as noted on the program page
