ATI offers reporting of TEAS (Test of Essential Academic Skills) test results to schools as a convenience to nursing school applicants. However, it is solely your responsibility to ensure that each of your school applications, as well as your TEAS test results, is complete, properly submitted, and on file with each such school. Please note that if you are taking the TEAS exam at a school testing facility, your test results will automatically be forwarded to that school, in addition to any other school(s) that you have purchased herein to receive your test results.
