Opportunity Center . Resume Workshops Today (8/31) & Thursday (9/2) + Zoom office hours + jobs / inte

Step 6:

Open the email from Okta with the subject line “*Account password reset*”. If you don’t see the email in your inbox, please check your junk or spam folders.

Step 7: Click Reset Password. Reminder! The link expires 1 hour after you receive it.

The screenshot shows the etcLink 'Reset your password' page. At the top is the etcLink logo. Below it is the heading 'Reset your password'. Underneath, the 'Password requirements' are listed: at least 8 characters, a lowercase letter, an uppercase letter, a number, and it must not include the user's first or last name, nor be one of their last 4 passwords. There are two input fields: 'New password' and 'Repeat password', both containing masked characters. A blue 'Reset Password' button is at the bottom of the form, and a 'Back to sign in' link is below it. A red box highlights the form fields and button. A red arrow points from the requirements list to the 'New password' field, and another red arrow points from the left towards the form area. To the right of the form, a red list of requirements is provided.
